

A Resolution to Reduce our Gulf Footprint (L6)

1 **WHEREAS,** The United States is unnecessarily wasting resources such as personnel,
2 military machinery, and finances; and

3 **WHEREAS,** US military presence in this region represents an opportunity for
4 unnecessary conflict; and

5 **WHEREAS,** These resources are sorely needed elsewhere, and cannot be utilized in
6 the Gulf; now, therefore, be it

7 **RESOLVED,** That the Congress here assembled reduce military presence in the gulf
8 states including (but not limited to) aircraft, naval ships, and military
9 personnel; and, be it

10 **FURTHER RESOLVED,** Personnel presence shall be downgraded to a “brigade-minus”
11 force, aircraft carriers shall only be deployed in war time, and land-based
12 strike aircraft presence shall be reduced to 25% of its current capacity.

Introduced for Congressional Debate by Asheville High School.
